

BISHOP'S MANDATE

All who are called to leadership roles in Catholic schools, must remember that, as leaders in the Church, theirs are roles of Christian service. For staff, parents and students, they are to reflect the Christ who came to serve rather than to be served.

All school leaders are called to embody the vision, values and outlook of the Catholic school. Leadership through witness is critical for the effectiveness of the school community. They should support one another with faith and courage.

Through the CEWA Vision for Learning ...

Catholic Identity

The responsibility to provide an education that integrates faith, life and culture, with the formation of Christian conscience and virtue at the forefront, is the priority for all Catholic school communities.

Education

As a learning organization, the role of the system is to support schools to develop children and young adults, parents and caregivers, teachers, educators and leaders to become active learners who understand the values, knowledge and skills important for learning in the 21st century and beyond.

Community

At CEWA we will continue to nurture strong relationships of learning and trust through the creation of effective networks, ensuring the entire system is connected and learning is shared.

Stewardship

In Catholic schools, being a Christian steward means that staff, children and young people receive God's gifts gratefully, cultivate them responsibly, share them lovingly in justice with others, and contribute to the development of society.

CAPA STAREGIC DIRECTIONS 2021 - 2023

Vision

"One cohesive voice building agile, Christ-centred leaders who advocate for and champion excellence in our Catholic school communities."

Catholic Identity

To actively promote and encourage Christian Service by widely communicating the needs, requests and spiritual and religious learning opportunities available to our members via various Christian organisations

Promote, develop and support the formation of Christ-centred leaders so that they continue to strive to reflect Christ in their school communities with faith and courage.

Education

To provide every student with a quality Catholic School education through the improvement of self as demonstrated through ongoing professional development and reflective of CEWA's Vision for Learning.

To develop Future Leaders by acknowledging and nurturing talent, providing mentoring and networking opportunities and creating an association inclusive of emerging leaders throughout our system.

Community

Facilitate a high level of professional Networking, through the promotion of the association's and the system's professional learning events, through our regional networking models and for wider, education system collaborations.

Provide a cohesive, representative voice to express the opinion of members and campaign for issues that promote professionalism, equality, excellence and the Catholic ethos.

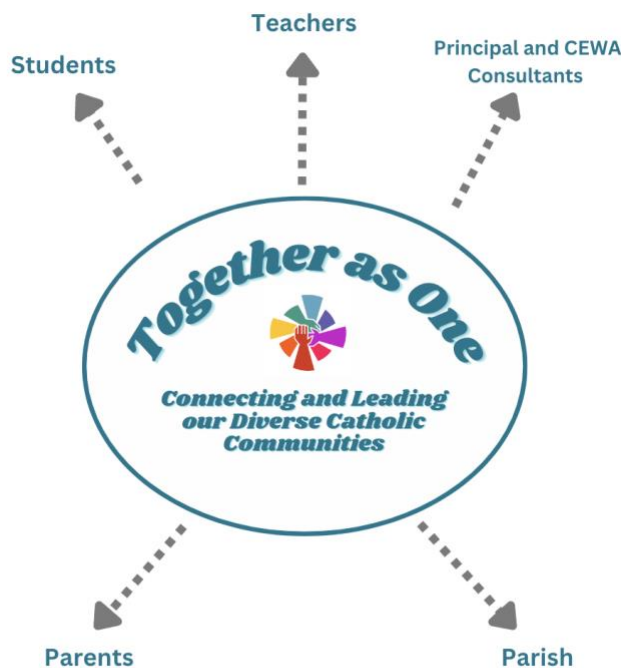

Stewardship

Promote and protect the association, striving for professional excellence by maintaining clear and sustainable protocols with strategic intent and by maintaining vigorous & transparent communication with members seeking their counsel and support.

2023 Key Goals

Community:

- Respond to God's call to serve our diverse communities. Provide opportunities for our members to discuss how we can better serve and connect with the ever-changing communities we serve.
- Organise relevant and meaningful PL that takes into account our focus and the various needs of our members.
- Build the capacity of our school leaders to support students with diverse learning and social needs.
- Highlight the importance of relationships and ways we can better develop positive partnerships with parish, students, staff, families and others outside agencies.
- Provide a range of opportunities for our members to network to discuss best practice and share resources that will help each other.
- Work with CEWA consultants and CPPA to develop a mentoring and coaching program for our members.
- Discuss AP Appraisal Process with key leaders and work towards a more consistent appraisal process.
- Focus on collaboration within and between regions and explore ways we can better support our members in regional areas.
- Continue to network and build relationships with other associations – CPPA, etc
